**Concrete Pumping Holdings Announces Commencement of Exchange Offer and Consent Solicitation Relating to Outstanding Warrants**

DENVER, CO, April 1, 2019 — Concrete Pumping Holdings, Inc. (Nasdaq: BBCP) (“CPH” or the “Company”) today announced that it has commenced an exchange offer (the “Offer”) and consent solicitation (the “Consent Solicitation”) relating to its publicly traded warrants and private placement warrants (together, the “warrants”) to purchase shares of its common stock. The purpose of the Offer and Consent Solicitation is to simplify CPH’s capital structure and reduce the potential dilutive impact of the warrants, thereby providing CPH with more flexibility for financing its operations in the future.

CPH is offering to all holders of its public warrants the opportunity to receive 0.2105 shares of common stock in exchange for each public warrant tendered and 0.1538 shares of common stock in exchange for each private placement warrant tendered. Pursuant to the Offer, CPH is offering up to an aggregate of 6,548,680 shares of its common stock in exchange for the warrants.

Pursuant to, and subject to conditions set forth in, a tender and support agreement described in the Prospectus/Offer to Exchange relating to the Offer and Consent Solicitation, an affiliate of Argand Partners, LP that holds approximately 97.5% of the private placement warrants has agreed to tender its private placement warrants pursuant to the Offer.

The offering period will continue until 11:59 p.m., Eastern Daylight Time, on April 26, 2019, or such later time and date to which CPH may extend, as described in the Schedule TO and Prospectus/Offer to Exchange (the “Expiration Date”). Tendered warrants may be withdrawn by holders at any time prior to the Expiration Date. CPH’s obligation to complete the Offer is not conditioned on the tender of a minimum amount of warrants.

Concurrently with the Offer, CPH is also soliciting consents from holders of the public warrants to amend (the “Warrant Amendment”) the warrant agreement that governs all of the warrants to permit CPH to require that each warrant outstanding upon the closing of the Offer be converted into 0.1895 shares of common stock, which is a ratio 10% less than the exchange ratio applicable to the Offer. The Consent Solicitation is conditioned upon receiving the consent of holders of at least 65% of the outstanding public warrants (which is the minimum number required to amend the warrant agreement). Holders of the private placement warrants will not participate in the consent solicitation.

The Offer and Consent Solicitation are being made pursuant to a Prospectus/Offer to Exchange, dated April 1, 2019, and Schedule TO, dated April 1, 2019, each of which have been filed with the U.S. Securities and Exchange Commission (“SEC”) and more fully set forth the terms and conditions of the Offer and Consent Solicitation.

CPH’s common stock is listed on The Nasdaq Capital Market under the symbol “BBCP,” and CPH’s public warrants are quoted on the OTC Pink marketplace maintained by OTC Market Groups, Inc. under the symbol “BBCPW.” As of March 29, 2019, 23,000,000 public warrants and 11,100,000 private placement warrants were outstanding.

CPH has engaged UBS Investment Bank as the Dealer Manager for the Offer and Consent Solicitation. Any questions or requests for assistance concerning the Offer and Consent Solicitation may be directed to UBS Investment Bank at (212) 713-2626. Morrow Sodali LLC has been appointed as the Information Agent for the Offer and Consent Solicitation, and Continental Stock Transfer & Trust Company has been appointed as the Exchange Agent.

**Important Additional Information Has Been Filed with the SEC**

Copies of the Schedule TO and Prospectus/Offer to Exchange will be available free of charge at the website of the SEC at [www.sec.gov](http://www.sec.gov). Requests for documents may also be directed to UBS Investment Bank at (212) 713-2626. A registration statement on Form S-4 relating to the securities to be issued in the Offer has been filed with the SEC but has not yet become effective. Such securities may not be sold nor may offers to buy be accepted prior to the time the registration statement becomes effective.

This announcement is for informational purposes only and shall not constitute an offer to purchase or a solicitation of an offer to sell the warrants or an offer to sell or a solicitation of an offer to buy any shares of common stock in any state in which such offer, solicitation or sale would be unlawful before registration or qualification under the laws of any such state. The Offer and Consent Solicitation are being made only through the Schedule TO and Prospectus/Offer to Exchange, and the complete terms and conditions of the Offer and Consent Solicitation are set forth in the Schedule TO and Prospectus/Offer to Exchange.

---

**Holders of the warrants are urged to read the Schedule TO and Prospectus/Offer to Exchange carefully before making any decision with respect to the Offer and Consent Solicitation because they contain important information, including the various terms of, and conditions to, the Offer and Consent Solicitation.**

None of CPH, any of its management or its board of directors, or the Information Agent, the Exchange Agent or the Dealer Manager makes any recommendation as to whether or not holders of warrants should tender warrants for exchange in the Offer or consent to the Warrant Amendment in the Consent Solicitation.
